BRING YOUR OWN FOOD! Or have it delivered. Hoops offers a unique dining experience here in the Beer Hall where you can bring your own food or order in from any restaurant you choose.

There's a great selection of restaurant options nearby in Canal Park, and many work closely with us to offer awesome delivery service to the Beer Hall. Ask if a Hoops squad member is available to pick up your food from any of the Canal Park restaurants that don't deliver. You'll find a wide variety of menus to look through on our menu rack - also check out the list below. Ask your server for more information.
